

14. Student Dormitory

- Every student must live in a student dormitory managed by the SCG Japanese Language School for at least 6 months after enrollment.
- Student dormitories are located within commuting distance to the school. Students will stay either in a room in the dormitory owned by the school or affiliated apartments.
- School will assign rooms by room types.
Dormitory rooms are typically shared by two or more people. However, there are some single rooms upon request.
- The dormitory has a refrigerator, air conditioner, washing machine, kitchen, bath and toilet.
- Students are required to purchase their own bedding in advance. (about ¥ 5,000)
