

## 14. Student Dormitory

- Every student must live in a student dormitory managed by the SCG Japanese Language School for at least 6 months after enrollment.
- Student dormitories are located within the commuting distance to the school. Students will stay either in a room in the dormitory owned by the school or affiliated apartments.
- School will assign rooms by room types.
- Dormitory rooms are normally shared by more than two students. However, there are some single rooms as requested.
- Each room has beds, a fridge, an air conditioner, a washing machine, a kitchen, a bathtub and a toilet.
- Students are required to purchase their own bedding in advance. (about ¥ 10,000)
